Feminist Rhetorical Theories (Feminist Perspectives on Communication, V. 1) Karen A. Foss, Sonja K. Foss, Cindy Griffin

Providing fully developed rhetorical theories from feminist perspectives, this book offers coherent, systematic overviews of complex, large bodies of work and ideas relevant to rhetoric and communication. The book presents theories developed from the work of nine feminist theorists, each from diverse standpoints demonstrating the diversity of both feminism and feminist rhetorical theories - Chris Kramarae, Bell Hooks, Gloria Anzaldua, Mary Daly, Starhawk, Paula Gunn Allen, Trinh T Minh-ha, Sally Miller Gearhart and Sonia Johnson. The resulting theories differ substantially from traditional rhetorical theories, and will encourage scholars to rethink many traditional rhetorical constructs.
