More and more young adults have opted out of Christianity and the church. The reason? Christians.

When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world.

When Christians Get It Wrong Participant Book may be used with campus ministries, small groups, and Sunday school classes. The six-session Participant Book features additional stories, reflection questions and Scripture insights to help groups read and study together.
