Lions' Pride (Duals and Donovans: The Different) Teresa Noelle Roberts

To save the one they love, they're going in with spells blazing...

Duals and Donovan: The Different, Book 1

Elissa Donovan is a real green witch—when she and her lion-shapeshifter husband have sex, the blazing heat is recycled to warm their house. Now her beloved Jude has been kidnapped by a shadowy government agency, and the last place she can turn for help is her high-powered family, who considers her magic mediocre.

When Rafe Benedict gets Elissa's call for muscle to back up her magic, he risks his law-enforcement career to answer. He's spent a lifetime hiding his Dual ability, but something about Elissa and Jude's magic awakens the cougar within him.

Tempting, bronzed Rafe is the perfect fuse for Elissa's sex-fueled magic. Danger lies in breaking her vows; joining with anyone other than her true mate could not only send her marriage up in flames, it could burn out her powers in a last, all-or-nothing explosion. But Jude is worth the risk. And for Rafe, potential heartbreak is nothing next to the chance to help the two people he's coming to love.

First, though, Rafe needs a crash course in Cougar...

Warning: This title contains evil fae, guys with guns, shadowy government conspiracies, a snarky ghost, and smoking-hot, three-way sex.
