The book, OLSAT Practice Test is designed for Kindergarten and 1st grade students. Apart from providing tools to prepare children for the standardized gifted and talented exams, we also want to make sure that the exercises are fun and attractive. We use colorful pictures and interactive matching exercises to help children learn the necessary ideas for the test. Early education plays a significant role in the child's attitude towards learning for the rest of his or her life. When they are young, children are naturally curious and desire to explore everything. Many states in our country have created special gifted and talented programs to allow children access to a more vigorous education. To accept students to the programs, most school systems require children to take tests. The OLSAT is one of the most common tests used across the country for entry into gifted and talented school programs. The test is designed to assess Verbal Comprehension, Verbal Reasoning, Pictorial Reasoning, Figural Reasoning, and Quantitative Reasoning. Our goal is assist you in your journey to supporting the motivation, learning and development of your child.
