Back cover: "He's something of a catch, you know"

Eloise was told about the handsome Dr. Timon van Zeilst. "But no one's caught him yet."

Eloise felt quite sure that it wouldn't be her. Why should he look twice at a plain English nurse with the beautiful Liske around? And Liske had claimed she was destined to be his wife.

It was no good telling herself not to care, because she did - even if he was the most infuriating man she'd ever met!
