Barbara Stephanic

Joseph Holston: Color in Freedom: Journey Along the Underground Railroad Barbara Stephanic

The history of the struggle for freedom from slavery cannot be told too many times. It is a vital component of America's history; it is key in understanding American culture. In Joseph Holston's magnificent suite of images, the story is told deeply and compellingly. His dramatic motion-and color-filled paintings contract the brutal ugliness of slavery with the overwhelming courage of those who survived it, escaped it, and worked to end it. Holston portrays the human capacity for cruelty with stunning poignancy and the human capacity for hope with heartfelt-but measured-joy.
