Front Porch History: Researching and Telling Your Family's Stories Tammy Cardwell

Greenleaf Press is pleased to publish this friendly, stimulating guide to genealogical research. The author shares the important lessons (and practical tips) she learned researching her own family's heritage. This book will walk you through each step the author took in collecting and sharing her family's stories. It will take you even further as she talks about things she has learned through the publication of a "family book."
