Recollections of the Early Settlement of the wabash Valley, "Old Settlers"

Description from Foreword: "In the annals of Tippecanoe County history there has never been a finer account of the settlement of this part of the Wabash Valley than that of Sanford C. Cox. The re-publication of this rare little book afford opportunity to pay tribute to its author. Old Settlers is more than a history. It is a testimony of contemporaries of Cox, who, like him, were involved in creating the shape of things to come. To them these narratives were their voice and pen, and, in time, possession of copies became something of a hallmark of identity with pioneer days."
