Why Tibetan monks are setting themselves on fire

Since the 2008 uprising, nearly 150 Tibetan monks have set fire to themselves in protest at the Chinese occupation of their country. Most have died from their injuries. Author Tsering Woeser is a prominent voice of the Tibetan movement, and one of the few Tibetan authors to write in Chinese. Her stirring acts of resistance have led to her house arrest, where she remains under close surveillance to this day. *Tibet On Fire* is her account of the oppression Tibetans face and the ideals driving those who resist, both the self-immolators and other Tibetans like herself.

With a cover image designed by Chinese dissident artist Ai Weiwei, *Tibet on Fire* is angry and cogent: a clarion call for the world to take action.

That book will bring you within new era of the globalization. You can read the e-book on your smart phone, so you can read the idea anywhere you want.

Ricardo Hempel:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Tibet on Fire: Self-Immolations Against Chinese Rule can make you really feel more interested to read.
