A Thrilling Collection Of American True Ghost Stories, Scary Haunted Houses And Chilling Unexplained Happenings!

Have you ever tried to use a Ouija board? Perhaps you were just curious. Maybe you are a believer of ghosts and you want to prove that they are real. Or maybe you are not a believer and you wanted to prove everyone else wrong? Whatever your reasons are, if you decide to use one, be careful.

How do you feel when you are at work, aside from the stress of unfinished work and the joys of being with work friends? During those times when you had to stay there late, did you get the feeling that someone was watching you? Perhaps you even heard it whisper your name or touch your hand...

Whether you are a believer or not, you must accept one thing: there are certain things happening in our life that, try as we might, cannot be explained. We can choose to dismiss them as mere hoaxes: products of an imagination gone wild, but the feeling that something other worldly is happening cannot be relinquished.

If you love true ghost stories and accounts of haunted houses and unexplained happenings then grab this book now!
