Barron's IELTS with Audio CDs: International English Language Testing System (Barron's Ielts: International English Language Testing System) Lin Lougheed Ed.D.

The IELTS is taken by over 1.2 million people and is internationally recognized by more than 6,000 institutions in 120 countries. IELTS test scores are used as a measure of English language proficiency by educational institutions, government departments and agencies, and professional organizations. This revised and updated test preparation manual for ESL students covers all parts of the IELTS and all of its question types: multiple-choice, short answer, sentence completion, flowchart completion, graphs, tables, making notes, summarizing, labeling diagrams and maps, classification, matching, and selecting from a list. The manual also offers four practice tests that reflect the most recent actual tests. The book's tests come with audio for all four tests, answers, and listening and reading modules with answer keys.
