Legal Medicine Board Review Exam and Study Guide (Legal Medicine and Medical Ethics)

The purpose of the ABLM and ABMM Legal Medicine Board Review Exam & Study Guide is to assist applicants in preparing for the ABLM and ABMM Board Certification Examinations. The Guide provides over 400 questions and answers, which are primarily based on the e-book, LEGAL MEDICINE & MEDICAL ETHICS, 8th edition, 2010, e-book published by the Law of Medicine Publication, and the Medical Malpractice Handbook, 2013, also published by Law of Medicine Publication. Almost all of the questions and answers in this Guide were provided by officers and trustees of the ABLM and ABMM, and authors and contributors to the e-books.

The American board of legal medicine, Inc. (“ABLM”), develops, promotes and publishes the specific criteria required for the admission of candidates for examination in Legal Medicine and Medical Ethics. The ABLM examines candidates and certifies as Diplomates in Legal Medicine those who successfully meet all the requirements. The American Board of Medical Malpractice (ABMM) does the same but applies to single doctoral degrees.

Detailed information about ABLM certification and application may be found at:
