The Great Stone Face: And Other Tales of the White Mountains Nathaniel Hawthorne

The Great Stone Face (The Old Man of the Mountains) juts out from the White Mountains of New Hampshire and looms over a small village. An old prophecy states that "someone will be born hereabouts who will look just like the Great Stone Face, and he will be the noblest person of his time." Like many others, young Ernest watches the faces of returning famous men for signs of the gentle wisdom seen in the face. The rich merchant, however, is grasping, the soldier only stern, and the politician--well, a politician. Ernest, meanwhile, works hard on his farm and is looked up to by his neighbors for the thoughtful counsel he offers. As he grows old, people remark that they fear they will never see the prophecy fulfilled. At length, however, noticing Ernest's face, they discover that it was fulfilled long ago. This thoughtful look at what it means to live a good life is as relevant today as when first written. This collection also includes The Ambitious Guest, The Great Carbuncle, and Sketches from Memory. Newly designed and typeset for easy reading by Boomer Books.
