## **The Reason (Just Say Yes) (Volume 1)** Jen Andrews

This is book one of three for characters Zoey and Andy. Zoey James is in a funk. She has been through more in her twenty-three years than most people have experienced in their entire lives. After her ex-husband tries to take everything she's worked so hard for, she makes one rule: Never date someone she works with. When her father's newly hired mechanic moves into the apartment above their family-run business, Zoey's lonely life is flipped upside down. As a teenager, New Zealand native, Andy Tate's family is tragically killed in an accident, and he is taken in by his aunt and uncle. Andy is pulled away from the only place he's ever known as home, and moved halfway around the world to Northern California. Ten years and one failed marriage later, Andy finds himself living in a new city, with a new job at James Racing, and living in an apartment next door to Zoey, his new boss's beautiful and damaged daughter. After an interesting chain of events over one weekend, Andy and Zoey form an unexpected bond. Even though he's the only one who can get through to her, she will do all that she can to keep him at a distance and not break her one rule. Will Andy be the reason for Zoey to start living her life again, or will she continue on her downward spiral, until she finally hits rock bottom?
