The Jack Sigler / Chess Team series now spans eighteen titles, with two more on the way in 2015. This guidebook provides detailed summaries of the previous full length novels and the 'Chesspocalypse' (or 'Callsign') novellas. There's also a small nod to the 'Jack Sigler Continuum' short novel, Guardian. Filled with character biographies, a roster of villainous threats and descriptions of devious creatures that have all appeared over the course of the series, Endgame is the perfect reference book for your Chess Team questions. The book also contains twenty original illustrations of the main characters by Christian Guldager, as well as a section of 'eye witness sketches' of creatures and events by Jeremy Robinson and fans of the series. As if that weren't enough, the whole book is wrapped in a short story about the team's handler, Deep Blue, which reveals the aftermath of the new novel Cannibal. Delve deeply into Deep Blue's personal files on the team and its supporting cast, to either catch up so you can jump in with the current novels, or to relive your favorite moments from this explosive series. **The Jack Sigler Thrillers, starting with Pulse, are now in development as a feature film series with director Jabbar Raisani, whose work on Game of Thrones earned him an Emmy Award.** Jeremy Robinson and Kane Gilmour, the international bestselling duo behind Ragnarok and Omega, bring you this comprehensive guidebook and a surprising short story framing sequence sure to have die-hard Chess Team fans salivating for the next book in the series.
