Outside the Womb: Moral Guidance for Assisted Reproduction Scott Rae, Joy Riley MD

The use of assisted reproductive technology (ART) is on the rise in our culture as an alternative for couples facing infertility issues and single women desiring to have children. Is it right – morally, ethically, biblically – to engage this new technology? Are there some aspects of ART that are more acceptable than others? *Outside the Womb: The Ethics of Reproductive Technologies* addresses the whole issue of “making life”, providing valuable information, both theologically and scientifically, for Christian couples to reflect upon as they consider the various fertility treatments.
