The Visitation Frank Peretti

The sleepy, eastern Washington wheat town of Antioch has become a gateway for the supernatural—from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message.

The national media and the curious all flock to the little town—a great boon for local business but not for Travis Jordan. The burned-out former pastor has been trying to hide his past in Antioch. Now the whole world is headed to his backyard to find the Messiah, and in the process, every spiritual assumption he has ever held will be challenged. The startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences.
