One small worm . one big world! This is the diary . of a worm. This worm lives with his parents, plays with his friends, and even goes to school. But unlike you or me, he never has to take a bath, he gets to eat his homework, and because he doesn't have legs, he just can't do the hokey pokey - no matter how hard he tries. This hysterical picture book by New York Times bestselling author Doreen Cronin and New York Times bestselling illustrator Harry Bliss tells the daily doings of a small worm in a gigantic worm world.
