In Liz Climo's little world, snakes and rats take selfies together, rabbits and bears share dinner (Carrots? "Man."), and sharks and otters hang out (but the otter has to pretend that the shark's about to eat him if the shark's friends show up). These and a furry and finned array of characters wryly coexist within Liz's clever and funny cartoons. She gives each of her creations an innocence and humanity that inspire delight as well as laughter.

Every page of this calendar--updated for 2017--features one of Liz's sweet and funny cartoons depicting her animal menagerie in all manner of human situations.
