Anything that can go wrong, will go wrong.

Kasey and the gang were held together by a set of rules, their Zombie Plan. It kept them alive through the beginning of the End. But when the chaos faded, they became careless, and Murphy's Law decided to pay a long-overdue visit.

Now the group is broken and scattered with no refuge in sight. Those remaining must make their way across West Virginia in search of those who were stolen from them, fighting not only merciless terrain, but hordes of newly-thawed and ravenous deadheads as well.

A new home is found. New alliances are formed. Then an alarming development presents itself in severe and bloodthirsty fashion. A situation Kasey and the gang never planned for. When the stakes are raised even higher, when many more lives are at risk, can the group re-evaluate everything they thought they knew and survive the unknown?

“A mix of Joss Whedon-style banter and Walking Dead-style struggles...” --HorrorNews.net on ROADS LESS TRAVELED: THE PLAN

“ROADS LESS TRAVELED: THE PLAN was a great start to a series ... I can't wait to read what else Dulaney has in store...” —Ursula K. Raphael, The Zombiephiles
