Sharon Z. Sacks

An indispensable series of video and print materials for helping youngsters who are visually impaired develop essential social skills. Available separately or together as one complete information resource, the FOCUS (Full Option Curriculum for the Utilization of Social Skills) materials consist of five modules, each emphasizing a specific area related to social skills intervention: Importance and Need for Social Skills; Assessment Techniques; Teaching Social Skills to Visually Impaired Preschoolers; Teaching Social Skills to Visually Impaired Elementary Students; and Teaching Social Skills to Visually Impaired Secondary Students. Each module contains videotape and an accompanying self-directed study guide containing readings, instructional materials, and individual assignments.
