God and Globalization: Volume 4: Globalization and Grace (Theology for the 21st Century) (v. 4) Max L. Stackhouse

This is the fourth volume in the series God and Globalization, sponsored by the Center of Theological Inquiry in Princeton, N.J. The 3 previous volumes were multi-authored. This volume is authored solely by Max Stackhouse, the general editor of the series, with a Foreword by the distinguished church historian Justo Gonzales. This final interpretive volume argues for a view of Christian theology that, in critical dialogue with other world religions and philosophies, is able to engage the new world situation, play a critical role in reforming the "powers" that are becoming more diverse and autonomous, and generate a social ethic for the 21st century.
