Daughter of Sherwood (The Guardians of Sherwood Series Book 1) Laura Strickland

Raised in the kitchens of Nottingham Castle, Wren has no idea she is the daughter of the legendary Robin Hood until she is summoned to Sherwood Forest. Since Robin's death many years before, the resistance against Norman tyranny has been upheld by a magical triad, but now one of the guardians has died. With two young men, Sparrow and Martin, Wren must form a new triad with a bond strong enough to defend Sherwood's magic. To one of them, she will also give her heart. From the moment Wren bursts into his life, Sparrow loves her. But he knows she may choose his lifelong rival, Martin, as her mate. Martin wants Wren also, but Sparrow fears Martin is driven not by love but by ambition. When Martin is captured and held at Nottingham Castle, will the conflict between love and duty destroy the triad?

This is a new release of a previously published edition.
