## **Professional Foundations for Massage Therapists** Patricia J. Benjamin Ph.D.

*Professional Foundations* focuses on the broader picture of massage therapy as a meaningful career, and the social, communication, and reasoning competencies needed for success in the field. It approaches massage therapy education as a holistic process acknowledging the need for developing personal as well as professional proficiencies. Topics include massage as a wellness profession, work settings, professionalism, social and communications skills, goal-oriented planning and documentation, therapeutic relationship and business ethics, and building a massage therapy practice including getting a job and developing a private practice. While there are competitive books on specific topics, such as business management in massage, ethics, and documentation, *Professional Foundations for Massage Therapists* is the only book on the market that puts all of these important topics together under one cover! With its unique four color interior and a video CD-ROM, this is a must have reference book for any massage therapist.
