One of the most iconic superheroes of the era, the Batman mythos has grown exponentially from its first conception as a comic book character in 1939 to the latest incarnation seen in the Batman trilogy directed by Christopher Nolan. However, to younger audiences and readers, the man behind the mask and the incredible story about his exploits as the Dark Knight and his alter-ego Bruce Wayne remains a mystery which leaves them more baffled than amazed when informed by die-hard fans "how this or that should have been".

If you are new to the Batman Mythos, this ebook is just the thing you need to bring you deeper into the back alleys of Gotham City and to the gates of Wayne Manor. And if you think you know everything there is to know about the Dark Knight, this ebook may just surprise you.

This is the one ebook that will give you everything you need to know about Batman to truly call yourself a fan.
