International Code Council

Part of the highly successful International Code Council's Code & Commentary series, the 2015 INTERNATIONAL EXISTING BUILDING CODE COMMENTARY is the ideal tool for anyone interested in learning the provisions contained in the code, what they mean, and how to apply them. The driving force behind the book's effectiveness is its format: it has been strategically designed to pair each section of the code text with an insightful commentary that goes beyond the technical requirements to explore their practical implications. Content includes rationale for the various requirements, suggestions for applying them, and potential consequences for not adhering to them. With a clear, straightforward writing style that clarifies even the most complex code regulation, this is a resource that will enhance the learning and reference libraries of code officials, engineers, architects, inspectors, plans examiners, contractors, and anyone who uses the 2015 IEBC.
