Kenneth Cmiel

Democratic Eloquence: The Fight over Popular Speech in Nineteenth-Century America Kenneth Cmiel
Democratic Eloquence tells the dramatic story of how Americans thought and argued about the English language between 1776 and 1900. The rise of a popular democracy in the early nineteenth century rudely challenged gentlemanly assumptions that only the well-educated should be able to speak in public. The popular challenge stimulated discussions about how grammars, dictionaries, even the English Bible should be written and what the idiom of a democratic society should be.
