"Girls Are Like Pizza" is an analogy I once heard from my mother-in-law and one that I wish I would've heard years ago. Sexual purity is a topic that is all too often swept under the rug and not talked about enough. This book is intended to open the eyes of young women about how important it is to remain sexually pure before marriage. By giving real life experiences of my own, from losing my virginity at the tender age of 15 to drug and alcohol abuse before the age of 17, my hope is that everyone who reads this book will decide to abstain from all forms of sexual temptations and remain pure and holy until that blessed day when two become one.
